KEEP YOUR **BUSINESS** AND **HOME SAFE THIS CHRISTMAS**

Now that businesses are re-opening here are some tips that can protect your business.

- ✓ Maintain clear views throughout your store
- ✓ Approach customers
- ✓ Secure storerooms
- ✓ Report shoplifting
- ✓ Use visible security measures – monitors etc.
- ✓ Lock up before you leave
- ✓ Maintain/review CCTV functionality

Goods and items that are frequently stolen are known as 'hot products'. Hot products generally include items such as mobile phones, jewellery and other fashion accessories, electronic goods, personal care items, cash and food. Secure 'hot products' in locked cabinets, secure locations or away from packaging.

MAKE YOUR End of Year Celebration A SAFE ONE

As Businesses prepare to hold end of year celebrations, a reminder to celebrate safely. 2021 has been quite the year and has impacted on businesses heavily and the end of year work celebration is seen as an opportunity to let off steam and celebrate.

Staff need to remember safe and respectful behaviours at work functions and celebrate safely. Businesses need to ensure workers are aware of the risks

of misuse of alcohol and ensure plenty of food and non-alcoholic drinks are also available. Also, workers are encouraged to look out for their workmates and keep them safe.

Remember your PLAN B and have transport options available for workers to get home safely.

Help Police help you.
